

To Whom It May Concern:

Thank you in advance for taking time out of your busy schedule to read this letter. First of all let me introduce myself. I am Wess Etheredge and I served as the Mayor of Daleville and also Superintendent of the Daleville Water and Sewer Board from 1996 – 2012.

I have been associated with David Hicks and Associates for many years. I would like to take this opportunity to highly recommend them for any engineering projects you may have. I have worked with David on numerous water & sewer projects, some small and some large and was never disappointed in their professionalism for the job.

Again, I would like to ask that you consider David Hicks and Associates for any upcoming project you may have.

Sincerely,

A handwritten signature in cursive script that reads "Wess Etheredge". The signature is written in dark ink and is positioned above the printed name.
